

## Sons of Liberty Chapter CASSAR

Faithful Sons of Liberty Compatriots!

Massing of the Colors is almost upon us!

General Smith, our Vice President and Massing Chairman has requested a call to action. We need volunteers to staff our sign-in table for color guards, to help with set-up and tear-down, and to be available for other last-minute tasks and to welcome our guests. The event is Sunday, February 18, at 3:00 p.m. If you're available to help us out, send an email to [massing@sons-of-liberty-sar.org](mailto:massing@sons-of-liberty-sar.org).

We have our first regular Chapter meeting on the Saturday before the Massing of the Colors. That's February 17 at the Tam O'Shanter, from noon until 2:00 p.m. Please make an effort to be there, especially if you'd like to volunteer for the Massing.

As you all know, our Chapter meetings are typically on the third Saturday of the month. But this year that would be St. Patrick's Day, and that means the Tam O'Shanter won't be available. So our meeting will be the next Saturday, March 24. Hope to see you there!

And finally, the 143rd Annual Spring Meeting of the California Society SAR will take place April 19-21 at the Concord Hilton Hotel, hosted by the Thomas

Jefferson Chapter. All are welcome, and it's a worthwhile way to spend a weekend away from home. Learn more at the [California SAR web site](#).
